We Guarantee Satisfaction!

Years ago, when Woodrow Wilson was president of Princeton, he faced the parents of a new student who were concerned about the quality of education their only child would receive at the school.

Confronting Wilson they declared, "We want to be sure that our only son is getting the very best education. Can you assure us that he will do well here?"

Anticipating their question, Wilson responded mildly, "Madam, we guarantee satisfaction or we will return the boy."

With summer approaching very quickly also comes the end of school!

While there is a bit of humor in that story, please rest assured that we at GPCA desire to not only just return your children, but to do so with "a Bible based education with a biblical world view!"

It is indeed a privilege to partner with every parent and grandparent in raising these children up in the nurture and admonition of the Lord! Thank you for trusting us to assist you in this important matter.

You may also rest assured that when we return them back to you at the end of this school year, not only will you get your child(ren) back, but you will see that they have grown both academically and spiritually for the glory of God!

God Bless you!

Handicap Parking

Just a quick note to all parents. Please do not park in the handicap parking spaces if you do not have a handicap pass. There are a few people that truly need them. Thank you for your cooperation.
